

Welcome New Members – March/April 2023!

Congratulations to Patricia Stevens on achieving [Life Retired status!](#)

Retired Life Membership shall be granted to any Life Member who has reached age of sixty-two (62) or until a disability prevents employment as a dental assistant. No national dues are required and no liability insurance or accidental death/dismemberment insurance is provided. Discounts, such as travel or rental cars, can still be used, and a free Journal subscription is available upon request. No current "Professional" type member is eligible for this category. If this membership category is of interest to you, please explore the Emeritus membership below.
