Speaker Bio

With more than 20 years in the dental publishing industry, Kevin Henry is the former group editorial director for Dental Products Report and managing editor for Dental Economics. Currently, he is the editor-in-chief for DrBicuspid.com. He has spoken to dental assistants throughout the world, in person and through the Dental Assistant Nation podcast series, reminding them of the important role they play every day in their practice. He is also certified as a DiSC trainer, helping dental practices learn how to understand each other better through personality assessments and training.

Course Content Outline:

Have you ever...felt less confident in your role? Experienced conflict at work? Wanted to build better trust in working as a team? Then this course is for YOU! A long-time champion of dental assistants, this interactive course will tackle the issues and biggest challenges that keep you stuck and will provide you the tools to be a leader in your dental practice and stand out. What do you want to learn about leadership? We can tackle them throughout the course.

Educational Objectives:

Upon completion of this course, participants will be able to:

1. **Define leadership in the context of a dental practice** and identify key traits of effective dental team leaders.
2. **Apply communication strategies** that build trust, reduce conflict, and strengthen team collaboration.
3. **Develop a personal action plan** to grow leadership confidence and contribute meaningfully to practice culture and success.
